

WARNING: This NSFW (Not Safe For Work) expansion contains topics not suitable for players under the age of 18. Due to the highly controversial nature of many topics, we also recommend that you only play this expansion with a group of players you are certain will not be offended by the topics below.

INSTRUCTIONS

1. Print this document.
2. (Optional) Put the papers back in the printer with the other side up and then print the document named *NSFWExpColorBack.pdf*. You can skip this step if you prefer plain white card backs.
3. Cut out the cards with a pair of scissors or a paper cutter.

HOW TO PLAY

Shuffle the expansion cards and place them in a separate pile next to the regular pile of topics. Each turn the Moderator decides if they want to draw a topic card from the regular pile or the NSFW pile.

If you have downloaded more than one expansion you can use them all at the same time if you want to, creating separate piles for each expansion.
